Student Ratings of Teaching: WhatCanThey Tell Us?

While there are many ways to assess teaching, student rat(atss known as student evaluations) of teachingare certainly the most common. Student ratings cannot tell us everything we may want to know about the teaching and learning in a class, but they can be useful as one component of teaching assessment when we look at what information they can show. Below æ three areas in which student ratings can be usæturhative feedback for instructors

- Clyson, Dennis E. "Student Evaluations of Teaching: Are They Related to What Students Learn?: A Meta-Analysis."International Journal of Teaching and Learning in Higher Education 17, 48 62.
- Hativa, Nira Student Ratings of Instruction: A Practical Approach to Designing, Operating, and Reporting 2nd Ed. Create Space, 2014.
- Wieman, Carl. "A Better Way to Evaluate Teaching. Change Magazine January/February 2015.
