Saint Louis University Department of Otolaryngology

Resident Interviews November 11-13

The weekend of November 11-13th

will be a special time for our residents

as they will be invited to participate in a

series of interviews with our alumni

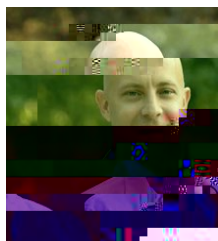

Who will be the next two SLU

Residents to join our Alumni?

Welcome to the Winter 2010 Newsletter. Many exciting events occurred since our last edition. We will be celebrating our 100th anniversary this weekend. Go page two for a return and details on our

Winter 2010 special event with a focus on education from our resident departments and a special thank you to the expansion of the existing annex on the

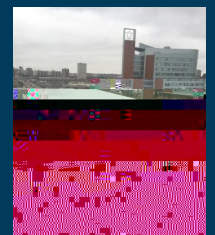

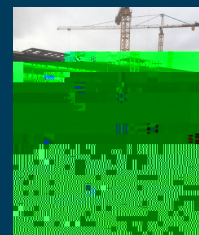

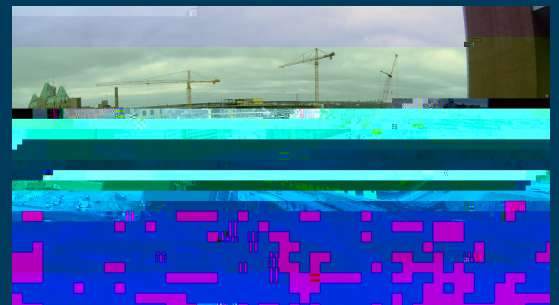

These highlights include research highlights from research collaboration on campus, fun events for the entire community.

Next to the news from our resident departments.
