1. Student

a course from the student's final semester in the MA program. These courses are all offered in St. Louis at the north campus.

3. Assessment Methods: Evaluation Process

What process was used to evaluate the artifacts of student learning, and by whom? Please identify the tools(s), (e.g. a rubric) used in the process and include them in/with this report.

Supervising faculty score the student work against a google form version of the rubric. Results are collected and evaluated by department chair in the process of writing this report, and the results are discussed at a faculty meeting (this year the meeting occurred on Sept 29, 2023).
