

Which of the program's student learning outcomes were assessed in this annual assessment cycle? (Please list the full, complete learning outcome statements and not just numbers, e.g., Outcomes 1 and 2.)
The PSP program is developing a new plan. We will meet with students in September and our meeting is scheduled for October. We started the discussion and outline of the plan last spring. It will be done by November.
What process was used to evaluate the artifacts of student learning, and by whom? Please identify the tools(s) (e.g., a rubric) used in the process and (please do not just refer to the assessment plan).
What have you learned from these results? What does the data tell you?

, ,	•	dings to improve teaching and learning in your program? Fo
example, perna Changes to the Curriculum or Pedagogies	ps you've initiated one or more of t xCourse content xTeaching techniques xImprovements in technology xPrerequisites	x Course sequence x New courses x Deletion of courses x Changes in frequency or scheduling of course offerings
Changes to the Assessment Plan	xStudent learning outcomes xArtifacts of student learning xEvaluation process	x Evaluation tools (e.g., rubrics) x Data collection methods x Frequency of data collection
Please describe	the actions you are taking as a resu	ult of these findings.
16	e being made, please explain why.
