The program is asked to present its plan for ongoing assessment of student outcomes for all identified competencies in the generalist level of practice (baccalaureate social work programs). Assessment of competence is done by program designated faculty or field personnel. The plan

[REDACTED]

should include all the bulleted items specified in the **accreditation standard**.

Accreditation Standard 4.0.2: *The program provides its most recent year of summary data and outcomes for the assessment of each of the identified competencies, specifying the percentage of students achieving program benchmarks for each program option.*

The program provided its most recent year of summary data and outcomes for the assessment of each of the identified competencies, specifying the percentage of students achieving program benchmarks for each program option. However, the program did not report behavior-level
