Policy for Externally Sponsored Programs Grants, Contracts, and Agreements

Policy Number: RA01

Version Number: 3.0

Classification: Research Administration Policy Effective Date: October 1, 2011

Responsible University Officer: Vice President for Research

1.0 INTRODUCTION

Saint Louis University will seek and accept sponsored awards to support its mission in research, instruction, and public service.

The Division of Research Administration of Saint Louis University personnel in securing and managing external funding to support research, scholarly, programmatic, and other activities.

Saint Louis University must affirmatively accept sponsored awards. Once an award has been accepted, the University will fulfill its obligations to the sponsor.

The Office of Research Development Branch Services (ORDBS) within the Division of Research Administration is responsible for reviewing an sponsor's proposal, conducting memoranda of understanding, consortium agreements, and subawards intended for external sponsors prior to their submission. This comprises determination of agreement mechanisms, negotiation of an business terms and conditions, including the management of facilities and institutional policies and all relevant regulations.

The Office of Sponsored Programs Administration (OSPA), a unit within the Division of Research Administration, is responsible for the post-award administration of all sponsored awards and contracts, memoranda of understanding, consortium agreements, and subawards. This is necessary to ensure that all sponsored awards are managed with

Principal Investigators (PI) are individuals who are named as the primary or sole PI in a sponsored award or contract. A PI is the person who is named as the PI in a sponsored award or contract in which the sponsor has named them PI.

2.0 PURPOSE

This policy applies to:

1) All Saint Louis University research, research, scientific, and other activities

2) All grants or other remuneration by an organizational entity external to the institution. These agreements can be grant applications, research agreements, sponsored research agreements, subcontracts/subawards or consulting agreements. All agreements entered into between Saint Louis University as the applicant and the external entity or the recipient. The Principal Investigator (PI) serves as the Technical Representative. Agreements that name the Principal Investigator as a Party to the agreement, or those for which the Principal Investigators negotiate terms and conditions or sign an agreement on behalf of the institution will not be binding on the institution.

In order to ensure the proper adjudication for all grant applications and contracts, this policy sets forth the procedures and timelines necessary to ensure that grant applications and contracts are crafted in the best interests of the Institution and the Principal Investigator.

Key to proper adjudication is sufficient time for ORDS review and negotiation. Grant applications (multiple institution investigator applications) prior to the deadline date. Contracts and subcontracts require on average one month to negotiate between both parties. ORDS and the Division of Research Administration reserve the right to refuse to accept grant applications and contracts that are submitted with inadequate timeliness.

3.0 DEFINITIONS

3.1 **Authorized University Representative:** An employee who is recognized by Saint Louis University as an official representative of the institution in all grant and contract agreement activity with external sponsors.

3.2 **Business Days:** The standard University business days, Monday through Friday, 9:00 a.m. to 5:00 p.m.

3.3 **Consulting Agreement:** A formal agreement to be used when an individual enters into an agreement with the institution and whose annual reportable effort exceeded is not significant programmatic effort, and whose annual reportable effort exceeded is not more than six (6) percent in one budget period. ORDS makes the determination if a consulting agreement is the adequate contractual mechanism to use. The University's Standard Services Agreement can be used when the determination is made.

STL faculty may enter consulting agreements when similar conditions are met and

3.4. Cost Share (also referred to as matching funds) is defined as:

image, an in-kind contribution that has been specifically committed to a project, whether voluntary or mandatory, represents a binding obligation on Saint Louis University and is considered an in-kind expense.

3.5 Electronic Submission: Delivery of a proposal to a sponsor using the World Wide Web or Internet.

3.6 Fee for Service Agreements: A formal contractual agreement covering the provision of routine tasks for a fixed fee, during times of excess capacity, with no contribution to programmatic direction or publication. All data and results are owned by the sponsor. Compensation for work completed is listed as a single sum, with no detailed budget breakdown provided to the sponsor or exhibit.

3.7 Gifts: External funding provided by Donors who have a clear philanthropic intent and no expectation of performance from the University other than expending the funds as directed. Generally, gifts do not require a deliverable product.

3.8 Institution: For the purposes of this policy, the term *Institution* will refer to Saint Louis University.

3.9 Principal Investigator (PI) or Project Director (PD): An individual who assumes full technical and fiscal responsibility for a sponsored program, including the supervision of other key personnel, research assistants, students, and staff. A Principal Investigator must have sufficient experience to responsibly manage the project and must be an employee of the University. Throughout this policy, the term *Principal Investigator (PI)* will also refer to the term *Project Director (PD)*.

3.10 Paper Submission: Delivery of a proposal to a sponsor through the U.S. Postal Service, a commercial carrier, or by facsimile.

3.11 Scope of Work: A written statement specifying the tasks (including deliverables) to be completed for a specific project, cost, and period of performance.

3.12 Sponsor: Any governmental agency, private foundation, corporation, or association that provides financial project support.

3.13 Sponsored Program: A research project, program, scholarly activity, or community service project for which Sponsor has provided financial support and for which a formal written agreement exists.

A Sponsored Program has the following characteristics:

- Activities relate to a proposal funded by an entity outside the University.

- The Project is funded for a specific purpose.;
It is an exchange transaction subject to the provisions in article 100 and funding provided to the University
- It is executed by an award, contract, cooperative agreement, memorandum of understanding, or other formal mechanism.
- Its purpose is to support research, scholarly, instructional or public service activity.;
- A specific person is named to oversee/conduct the work (PI)

that may be revised.

- The sponsor may have a direct interest in the development and ownership of the intellectual property resulting from the activity.
- The Sponsor requires financial reporting on an annual or final basis.

3.14. Sponsored Research Agreement: A formal contract with

an outside entity where SLU is engaged in full programmatic effort for a specified scope of work, budget and project performance period, and for which publication and intellectual property rights must be guaranteed.

3.15. Standard Services Agreement: the formal contractual agreement to be used when

CRDS determines that the work of an entity external to SLU to fulfill the scope of

3.16. Sponsored Research Agreement: A formal contractual agreement with a specific purpose

projects. Tasks to be performed contribute to the programmatic direction of the overall project, and there is reportable effort. The term does not apply to the procurement of supplies and research equipment.

3.17. Transmittal Form: An electronic document housed on eRS@SLU that is completed

by the PI with all necessary, relevant information and documentation for the submission of the proposal to an external agency, including the electronic signatures of the PI/PP, Department Chair(s), School/College Dean(s), and the Office of Research Development and Services Authorized University Representative. Each signature indicates they have reviewed and assented to the terms and conditions of the proposal submission.

3.18. Student Loan Activity: Funding resulting from student loans guaranteed by the

federal government with federal government requirements as stated in 34 CFR 1.100

3.19 Timely: Occurring no later than two (2) months after the end of the month of the original transaction

4.0 POLICY

4.1 All Awards are sought in the name of and awarded to Saint Louis University.

Faculty and individual faculty staff are not authorized to submit applications for grants or contracts, nor are they authorized to accept awards, agreements or contracts on behalf of the University. The authorized University representative for submission of proposals and acceptance of grants and contracts is the Director of Research Development and Sponsored Programs.

4.3 All proposals to external funding sources that do not have a clear intent (including no expectation of performance) must be submitted to ORDS for review. Proposals that are consistent with the definition of a "gift" as defined in FASB 116 and FASB 117 will be forwarded to the Office of Development to be processed as gifts. Please see the "Policy on the Distinction between Gifts and Sponsored Programs" for further guidance.

4.4 ORDS makes official determination of what type of agreement mechanism should be used, depending upon a review of the terms of the agreement, weighted by:

presence of a deliverable; time effects; external entities; and

4.5 If a sponsor requires direct submission (such as a direct award or scholarship), the proposal must still be processed through normal procedures as described above and will be submitted by the PI on behalf of Saint Louis University

4.6 It is the policy of Saint Louis University that all awarded projects are administered through the Office of Sponsored Programs Administration (OSPA). The Director of Sponsored Programs Administration is the University's official contact for sponsor awards accepted by the University. Deans, Department Chairs, and other faculty or staff members are not authorized to submit financial budgets, reports, estimates, or invoices to award sponsors. This policy does not include clinical billing invoices

including clinical trials, which will be submitted to sponsors by the Clinical Trials Office.

Submitted proposals requesting supplemental pay must clearly state the

4.10.1 Deans and Department chairs are required to provide appropriate resources to execute awards that have been accepted in their schools and departments. This includes personnel and other items deemed as indirect costs that may not be charged directly to awards.

4.10.2 Direct cost-sharing commitments as well as implied cost sharing should be resources exist or will exist to fulfill the commitment on all department sponsored awards.

4.10.3 DPs should execute the awards consistent with the signed agreement. Costs should not be incurred before the signed agreement is in place unless an Award has been established. (COP, DP, S, J, R, P, W, T)

4.10.4 Costs should not exceed the awarded budget. Over cost accounts must be cleared by the next monthly review unless the sponsor has provided documentation that clearly states their intent to provide additional funding in a timely manner.

4.11 Expenditures of Funds

4.11.1 All expenditures of funds received from an award must be made in accordance with standard university policies, cost accounting standards, and OMB Circulars.

4.11.2 All Sponsored awards will be administered consistent with Federal rules. Financial commitments or expenditures are not to be made before an award is in place unless certain circumstances if the expenditures are backed by a commitment of funds from the manager of a currently existing source, and such pre-award expenditures are allowable under the terms of the anticipated award. Expenditures may not be made after an award has terminated.

4.11.3 Expenditures should be recorded correctly and only once. Costs should be recorded based on the type of item and the nature of the transaction. The SBO

SPO should be consulted if any uncertainties exist as to the allowability and proper recording of any expense.

4.11.4 Transfers onto grant funds should be made for a

transfers of income and expense items for further guidance.

4.12 Property and Equipment Purchased on Sponsored Awards

4.12.1 All property or equipment obtained from or purchased with funds from external sponsors shall receive the same care and safeguards as all other University property.

4.12.2 Property or equipment purchased with funds from external sponsor must be inventoried, tracked and disposed of in accordance with the terms and conditions of the external sponsor's requirements and OMB Circulars.

4.12.3 The OSP must be consulted prior to the disposition of any non-expendable sponsor-owned property and/or equipment.

4.12.4 PIs leaving Saint Louis University who wish to take equipment purchased on their federal award must transfer the equipment per OMB Circular rules. See Policy "Federal Equipment" for further guidance.

4.12.5 PIs entering Saint Louis University with equipment purchased with Federal Funds from a previous institution must transfer equipment per University and OMB Circular rules. See Policy "Federal Equipment" for further guidance.

4.13 Required Reports and Billings

4.13.1 As stated in 4.6 above, the OSP will submit all financial reports and invoices to award sponsors.

4.13.2 PIs are responsible for submitting all required technical and progress reports that are programmatic in nature. Reports must be completed and submitted on time as agreed upon in the award document and consistent with OMB Circulars. Grants should be used for documentation purposes.

4.14 Required Certifications

PI's must ensure that required certifications are completed for grants under their supervision. This includes effort reports for salaries charged to their grants, project end certifications consistent with OMB Circular A-21 Section K, and quarterly certification of expenses.

4.15 Required Review of Expenses

on a monthly basis. The review is indicated by the PI signature and date completed. Monthly review may be delegated to a knowledgeable assistant but the PI must still sign and date the completed work to ensure completion.

5 Institutional Responsibilities

6.2 Award Acceptance

Usually, notification of an award is sent to the University. If is sent directly to the PI, a copy must be sent immediately to ORDS for processing. PI cannot incur expenses without a University-assigned fund number and budget for a grant or contract. All external funds within the scope of this policy must be set up in a sponsored program account.

Grant and contract awards are made through the Office of Sponsored Programs. An authorized University representative must sign a contract to accept the award. Deans, Department Chairs, and individual faculty or staff members are not authorized to sign award documents. (An exception to this is a fellowship that is paid directly to a faculty member and not to the University. Faculty members who accept this type of award, although they must still submit the Transmittal Form).

ORDS or Medical Center Finance and business managers will work with the Sponsored Programs Office to establish a new fund number for a newly awarded grant or contract.

The fund will include a line-item budget in accordance with the award budget, funding agency regulations, University guidelines and Cost Accounting Standards.
