

24 HOURS AT SLU

ONE DAY IN
THE LIFE OF
SAINT LOUIS
UNIVERSITY

Page 6

SLU'S SPRING COMMENCEMENT

As members of the SLU family (forever), you extend the impact of these moments in each of your lives and communities. You rely on the wisdom you have earned, during your days at SLU and in the years since, to make unique and transformative contributions to the greater good.

remember what it means to be a Billiken. And you commence.

May God's blessings be with you this summer, and always.

Dr. Fred P. Pestello
President

SLU Partners With Jesuit Organization to Educate Refugees

Saint Louis University is partnering with Jesuit Worldwide Learning (JWL) to offer a bachelor's degree to international students displaced by

Gaiman Receives the 2023 St. Louis Literary Award

Neil Gaiman, the 2023 St. Louis Literary Award honoree, summed up his life's work: "The job of a writer is to leave the world more interesting."

Gaiman accepted the award from the Saint Louis University Libraries at a sold-out event in April at the Sheldon Concert Hall. The same day, he was named one of

Best known as a novelist, Gaiman writes in a variety of forms. His work includes and

To close out the ceremony, Edward Ibur, executive director of the St. Louis Literary Award, announced that Jamaica Kincaid will come to St. Louis next year to accept the 2024 award.

Kincaid explores themes of colonialism, gender and sexuality, racism, class and family in her work. A professor in African and African American studies and the Department of English at Harvard University, Kincaid wrote the novels and

24 HOURS AT SLU

THERE WAS NOTHING PARTICULARLY EXTRAORDINARY about Tuesday, April 11, 2023, at Saint Louis University. It

was a day of classes. But that very ordinariness made it perfect.

For years, the staff has wanted to share with readers all that happens in one day at Saint Louis University — from midnight to midnight in both St. Louis and Madrid.
